

COMERCIAL

Air curtains for commercial doors

BASIC

Perfect combination between innovation and design, offering a perfect and silent air curtain with impulsion through an adjustable diffuser, to obtain an optimal air direction.

Construction:

- Metal structure painted in RAL-9016 polyester.
- Widths of 1, 1.5, 2 and 2.5 m.
- Horizontal installation.
- Brackets for wall mounting included.
- Outlet grill with adjustable inclination.
- Door height up to 3 metres.

Fan:

- 3 speed for flow rate adjustment.

Battery version:

- S: Environmental. Air recirculation.
- E: Electric. Control of the electric battery with up to 2 stages.
- V: Water. Hot water batteries.

Control version:

- BA: BASIC. Manual selector for wall installation.

Technical characteristics of the controls

Control	BASIC	BASIC	BASIC
Control type	Manual	Manual	Manual
Battery type	S	V	E
